Professional Experience

Alastair has been involved in a wide range of commercial litigation. Cases in which Alastair regularly acts and advises include commercial contracts, IT disputes, banking, partnership disputes and sports law. Alastair is regularly instructed on behalf of banks and other lenders in the context of high-value disputes. He has acted and continues to act on behalf of solicitors involved in partnership disputes. As regards sports law he has acted for/against various football clubs and professional footballers and agents in relation to a diverse range of disputes including those of a commercial or regulatory nature.

Alastair has a particular interest in professional liability and discipline, and he regularly acts on behalf of solicitors, counsel and their professional indemnity insurers. He is also frequently instructed to act for, or sometimes to pursue, a wide range of professional people including surveyors, architects, engineers and financial professionals. Alastair has an interest in medical negligence and is regularly instructed to act on behalf of and against clinicians.

Alastair has acted and advised in respect of proceedings concerning the following regulatory bodies: the Law Society of Scotland, SLCC, the Faculty of Advocates, the General Medical Council, the General Dental Council, ICAS, the Professional Standards Authority for Health and Social Care, the Nursing and Midwifery Council and the University of Glasgow. He has conducted Court of Session proceeding in relation to disciplinary cases, and has represented professional bodies at disciplinary hearings and he has also acted on behalf of those facing such proceedings.

Throughout his career, Alastair has regularly received instructions in public and administrative law cases. He was a Standing Junior to the Scottish Government until he took silk in 2012. He has

continued to act for (and against) the Scottish Government since then. Alastair has acted for and advised various departments of the Scottish Government in relation to judicial review, statutory appeals and other administrative proceedings. Alastair also has experience of acting for and against local authorities. He has represented various charitable and religious bodies in actions for damages in relation to historic child abuse.
